

# METAPHYSICS IN MEDIA

Earth and its terrestrial genome continue to be TRANSformed by a geocosmic chrysalisation whereby [humanity] male/female (and all polarity) is intrinsically, spiritually whole; and resisting this at-one-ment with ourselves and Truth will further unbalance our climate making the planet inhospitable, requiring radical intervention amidst global “weeping, wailing and gnashing of teeth.”

Gaia’s cosmology in 2015 elicits, evokes, evinces engrams from Eden to a Virgin’s revelation where Tigris meets Euphrates and Kronos meets Kyros;

## METAPHYSICS IN MEDIA

Autumn/Winter Edition  
Vol.2014.100002

As we face Q4’14 with Mercury retrograding back into a direct Libra station, bookended by two eclipses (one signaling a “second chance” in a tetrad series of **blood moons**), many will feel/be everted in/by a 6 month chrysalisation....

Amidst these ensuing, conflicting pangs, it will be very important to hold fast to our dreams, because scripturally faith remains “the evidence of things not seen.”

10/8/14 Aries Full Blood Moon Eclipse

Aha, cosmology’s stellar pointillism, portent & poignancy in our terrestrial affairs!

Each **blood moon** in this tetrad comprises a mandala (quantum’s perfected square), four dimensions, Earth’s cardinal points & seasons, the apocryphal angels & horses depicted in Revelation, etc.,... and ultimately the spiritual four corners of “New Jerusalem” – because it’s written: “the former things are passed away.”

### METAPHYSICS IN MEDIA

Moonsplit back in 2014 under identical configurations, there’s a more incipient source when a select few are spiritually awakened, by Apollo’s “viral” transfer and a “fall of Israel” in 2016. iMagian offers not treading the literal corner of Earth’s ever-evolving blood moons, many many to be foisted

After a half-century, veteran procedural Madrasa still wows audience in 2014 with Sufi/Vegan mysticism!

Like 21:26-27: John 4:48  
“I have come to bring fire and sword, and to divide men against their fathers, and the daughter-in-law against her mother-in-law, and the sister against her brother, and the neighbor against his neighbor; who will be my enemy.” ~ Jesus

Genesis 1:5-6  
And God said, Let there be lights in the firmament of the heaven to divide the day from the night, and let them be for signs, and for seasons, and for days, and years.

Revelation 1:10-13  
“I had fallen when he had opened the mouth, and, as he spoke, I was a great earthquake, and the sea became as glass. And the voice of many was heard, saying, Woe is to them that are dead in these days, when the voice of a trumpet shall be, which shall be a wailing of a wailing woe!” ~ Saint John

These same 4 full moon **blood Lunar Eclipses** are linked by March’s new moon Total Solar Eclipse over Jerusalem at midday on March 20, 2015, before Passover, and on next year’s vernal equinox - the astronomical start of spring!

Knowing we’re all in this together: since the spring of 2014, we’ve been on a fixed trajectory of customs versus compulsions that determines a crowning Jupiter/Uranus fire trine of dramatic innovation and breakthrough in 2015!

our conflicted humanity returns to the beginning of individual accountability in desperate need of revelation. (*Genesis 2:10-14 to Revelation 12:1-6*)

Spiritually starved, unlike any other era, this binds a 5-pointed lunation of eclipses in our heavens. A momentous, geocosmic birth is at hand, but not without seismic travail and labor. How else can humanity truly appreciate its universal significance and imminent coming?

Under this autumn’s Jupiter/Uranus fire trine, it’s wise to be productive – preparing the vessel, to carry the celestial uterine waters of Pisces (spiritual transcendence), to be poured on the masses in the birth of Aquarius (spiritual humanity).

Earth at the cusp of Piscean/Aquarian Age

During these heightened times of animus and uncertainty, there’s comfort from rising signs, and the metaphysics resonant in Jesus’ Passover directive, amidst a brewing last supper betrayal:

**Mark 14:13-16 (KJV)**  
“... Go ye into the city, and there shall meet you a man bearing a pitcher of water: follow him. And whosoever he shall go in, say ye to the goodman of the house, The Master saith, Where is the guest chamber, where I shall eat the Passover with my disciples? And he will show you a large upper room furnished and prepared: there make ready for us. And his disciples went forth, and came into the city, and found as he had said unto them: and they made ready the Passover.” ~ Saint Mark

The 2014-2015 fully eclipsed cardinal **blood moon tetrad** portends stages of chrysalisation – the 4 angels of the Apocalypse, bearing the winds of karma, enjoined by dharma to seal/re-enforce/preserve justice and equality on earth. With the third **blood moon** in Libra, and its ruler Venus rising in conjunction this summer to Jupiter, creating a rarefied star, only active faith, hope, and love lead the way into 2016.

Amidst retrograding resources, values and relationships, seeding summer’s celestial trends with increasing unexplained phenomenon are miracles & healings, and sightings & wonders in the empyrean. Like cycles navigating the ecliptic, as we exchange material style for spiritual substance, rising signs are cast, and with Scriptural reproof: “the last shall be first, and the first last.”
